COMPANY OVERVIEW

Kuambiana Investment Company Limited traces its origins back to 2007 when it was established as a sole proprietorship by its founder, Imani Abed Haule. At inception, the business operated on a modest scale, primarily offering locally made tents alongside basic event equipment such as plastic chairs and tables.

The early years were marked by intense competition from well-established firms within the industry. Despite these challenges, the company distinguished itself through unwavering commitment to hard work, discipline, integrity, and respect in all aspects of its operations. These core values laid a strong foundation for steady growth and progressive expansion.

Today, Kuambiana Investment Company Limited has evolved into a reputable and trusted service provider, serving a diverse clientele that includes government institutions, non-governmental organizations, private sector entities, and individual customers. The company continues to grow consistently, driven by its dedication to delivering high-quality products and exceptional services.

Headquartered in Dar es Salaam, the company has expanded its footprint and now proudly operates branches in Dodoma and Arusha. While its physical presence is anchored in these strategic locations, its supply and service network extends nationwide, ensuring reliable coverage across Tanzania.

OPERATIONAL COMMITMENT

Kuambiana Investment Company Limited is dedicated to delivering high-quality products and services that consistently meet and exceed customer expectations. Through a culture of excellence and continuous improvement, the company strives to position itself as one of the most respected organizations both within Tanzania and internationally.

As one of the fast - growing companies in Tanzania, Kuambiana Investment Company Limited has, since its inception, successfully executed a number of credible and large-scale projects. These engagements have significantly strengthened the company's technical capabilities and expanded its field experience. The organization remains committed to fulfilling customer needs through a team of dedicated, well-trained professionals supported by modern management practices aligned with international standards.

COMPANY VISION

The company envisions becoming a leading and highly distinguished enterprise, recognized both nationally and globally for delivering superior quality products and services. It is committed to building and maintaining strong, positive relationships with all stakeholders in order to effectively understand and manage its impact on society, the economy, and the environment, while promoting sustainable development.

MISSION STATEMENT

To provide superior products and services, build enduring stakeholder relationships, and drive sustainable value through responsible and impactful business practices.

COMPANY OBJECTIVES

The primary objective of Kuambiana Investment Company Limited is to strengthen its position within the industry while strategically expanding into other business sectors in response to evolving market demands. Based on internal feasibility studies, the company has identified significant untapped market opportunities, particularly within Tanzania, where innovation and forward-thinking solutions are essential for growth and competitive advantage.

HUMAN RESOURCES AND TEAM STRUCTURE

Kuambiana Investment Company Limited maintains a team of well-trained and experienced professionals who possess strong communication skills in both English and Swahili. The team operates collaboratively to ensure the consistent delivery of high - quality services to clients. To enhance efficiency and responsiveness, staff members are equipped with reliable communication tools, including mobile devices, enabling seamless coordination and accessibility.

The current organizational structure comprises a core administrative team of five (5) personnel, supported by forty-one (41) operational staff members. This structure allows the company to effectively manage its operations while maintaining service excellence.

SOCIAL AND ECONOMIC CONTRIBUTION

The establishment and continued growth of Kuambiana Investment Company Limited align with national development objectives and government policies aimed at promoting private sector growth and economic development in Tanzania.

Through its successful operations, the company contributes meaningfully to the socio-economic landscape by generating employment opportunities for Tanzanians. Currently, the company provides stable, long -t erm employment to a number of individuals, with the capacity to create additional job opportunities as the business continues to expand. This contribution supports income generation, skills development, and overall economic empowerment within the community.

FINANCIAL OVERVIEW

Kuambiana Investment Company Limited commenced operations with an initial capital investment of approximately USD 600. Through consistent growth and strategic management, the company has expanded significantly and is currently valued at approximately USD 300,000.
